

Gwynedd Preserve Natural Lands

640 Swedesford Road, Ambler, PA 19002 | natlands.org

Join your fellow preserve visitors in helping to protect this special resource!

PRESERVE IS OPEN SUNRISE TO SUNSET ONLY

leashes required
Dogs must be leashed at all times to protect wildlife and other visitors. Violators may be asked to leave.

be a good neighbor
Please respect the privacy of those who live on and adjacent to the preserve.

pick up poop
Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet's waste and take it with you. Please come prepared with your own waste bags.

horseback riding
Horseback riding is permitted on designated trails under good conditions. We cannot accommodate horse trailers, so please ride to and from the preserve.

foot traffic only
No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife and disrupt the quiet experience others come to enjoy.

hunting and fishing
Hunting, fishing, and trapping are not permitted. Deer hunting is by special permit only. Visit natlands.org/hunting for permit information.

stick to trails
Please stay on designated trails to protect fragile plants, prevent erosion or wildlife disturbance, and reduce the chance of tick-borne illnesses.

photography
Amateur photographers are welcome to take casual photos or videos (tag them with #NatLands!). Portrait photography is prohibited except when pre-arranged. Visit natlands.org/photography for more information.

take your trash
Please pick up all trash and take it with you when you go, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

no drones without prior, written permission. Visit natlands.org/beforeyouvisit for more information.

no picnicking or alcohol

leave it as you find it
Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy. Do not disturb research and education activities.

Natural Lands encourages visitors to learn about and follow Leave No Trace's principles for low impact use of natural areas. **www.LNT.org**
